Some details about the Spring/Summer recreational soccer league:

- The season begins in early May and goes for 10 weeks (concluding around July 18th).
- U5 through U14 age groups have age group trainers on site to help coaches lead their teams through skills and drills.
- U10 through U19 practice one day a week and play a game once a week.
- U8 and U10 teams participate in "Soccer Saturday," an in-house tournament held at Neenah Memorial Park.
- U12 and older teams participate in the East Central Soccer Jamboree – a recreational tournament for teams in northeast Wisconsin.
- Because we are a volunteer-run organization, we require that all parents volunteer two hours per player during the course of the season or pay the volunteer buyout of \$50 per child, when they register.

More information about our recreational program can be found on our home page: www.neenahsoccerclub.org
