McDonald's® Fall Elementary School Soccer Program
Organized by Neenah Soccer Club

Dear Parents, School Administration, Players and School Parent Organizations,

The Neenah Fall Elementary School Soccer program has been in existence for nearly 40 years in its current form. Over the years, it has continued to grow in the number of players, while the number of people volunteering to organize it has diminished. To continue to offer a quality experience and to give the program a new sense of consistency for all involved, Neenah Soccer Club has agreed to fully manage the Fall Soccer Program. The club has always been an avid supporter of the fall league, providing assistance with fields, equipment and guidance, making Neenah Soccer Club a natural fit.

The Fall soccer program will be run in the same manner as it has in the past, with the emphasis of the program being on fun and players playing for their home schools. One of the highlights of the fall program has been its price ($15-$25, depending on which school a player attended). To keep the cost at a reasonable $20 per player, NSC has formed a partnership with McDonald's®. This new partnership will allow the McDonald's® Elementary School Fall Soccer Program to provide the players with several items that they have not had in the past: a quality jersey, scholarships to players who have a need, a fully insured program, maintain fields, provide equipment, background checks for all coaches and training sessions for the coaches.

As in year's past, the Fall Elementary School Soccer Program will rely on parent involvement in several areas: coaching, school coordinators, field set-up and take-down as well as other areas where manpower is needed. NSC will recruit these volunteers through the Fall Soccer Program registration process.

NSC is always available for any questions you may have. Please feel welcome to contact Jamie Kutchek, current Fall League Organizer (last 4 years) and one of Neenah Soccer Club's Recreational Directors, at 920-475-8270 or jkutchek@neenahsoccerclub.org.

Sincerely,

Jamie Kutchek

P.S. Registration opens after spring break!!
