

Neenah School District is proud to bring to you:

Safety With Social Media

Presented by: Officers Pete and Erica, Winnebago County Sheriff's Office

**Is your child safe on Social Media?
Do you know what "sexting" is?**

In partnership with the Winnebago County Sheriff's Office we are offering presentations during February parent teacher conferences at two different school locations. Come and enjoy a light snack while learning about some of the possible pitfalls that may be occurring right in front of your eyes.

There were 1.61 billion users on social media channels in 2013 (www.trendingiq.com). There are people using social media outlets that are saying and doing things that would knock your socks off! These presentations will raise awareness of social media use and misuse with our children and in our communities and can help you keep your child safe!

*****PLEASE NOTE:** Due to the content of the presentation, students will not be allowed to attend***
