

Elementary and Middle School Summer School Registration Opens Monday, February 8, 2016

Check out the summer school offerings for elementary and middle school enrichment and middle school summer academy on our website. Follow these easy steps to locate and register for summer school course descriptions for Neenah Joint School District.

Step One: go to our website www.neenah.k12.wi.us

Step Two: in the upper right corner of our home page, select "Online Payments" from the red shaded area. See below.

Step Three: select the summer school icon from the bottom row. See below.

Welcome to the Neenah Joint School District Web Store!

Step Four: select the link that best describes the type of summer school programming desired.

Summer School

- Elementary and Middle School Enrichment (25)
- High School Enrichment (3)
- High School Original Credit Courses (14)
- Middle School Summer Academy (4)

Step Five: review the available courses; use the scroll bar to see all available courses. Select the name of the course to reveal more, detailed information about the course.
